Stephen Mark McPhee passed away peacefully at home with his family by his side on February 21, 2026 at the age of 64. Stephen will be missed dearly by his family and all who had the privilege of knowing him. He was a father to Tara Kupiers and a proud grandfather to Conner, Everett (Easton), Ryerson, Ashton, and Brittany (McCartney). His grandchildren brought him great joy and pride.

Beloved son of Donald McPhee and the late Donna McPhee, Stephen was one of five siblings. He was a loving brother to Rod (Starla), Sue, Clay (Sherri), and Theresa. Stephen was deeply loved by his brothers and sisters, who will forever cherish the memories they shared growing up and throughout the years. He held a special place in their lives and will be remembered with love.

He was a cherished uncle to the late Tarra and to Genai, Ashley, Kristine, Jessie, Leanna, and Brandon. His presence in their lives will be remembered with warmth and affection.

Stephen had a lifelong love of computers and cars. He had a curious and analytical mind and enjoyed taking computers apart and rebuilding them. Music was another great passion. Growing up in the era of the 60s and 70s, he built an impressive music collection and found comfort and joy in the songs that shaped a generation.

Stephen's quiet strength and steady love for his family will be remembered always.

In lieu of flowers, donations to the Verspeeten Family Cancer Centre at London Health Sciences Centre would be appreciated.
